Mountain View Rural Electrification Ass'n Gets \$25,648 Refund

Members of Mountain View Rural Electrification Association Limited received a welcome surprise at the third annual meeting held at the hall on June 25, when a communication from Calgary Power Ltd. advised that the total cost of the original project was \$75,601.26, and a cheque for \$25,648.74 was enclosed as a refund.

When the project was completed 110 members were connected up at an estimated cost of \$925 each. Many paid the full amount and others made an initial payment and borrowed the balance from the bank under government guarantee. With the Calgary Power refund each paid-up member will receive a refund of \$233, and on all unpaid contracts this amount will be applied on the unpaid balance.

Membership fees of \$1.00 are collected annually from each contract holder. The two retiring directors of the Association, F. W. Allington and O. H. Ausenius, were re-elected by acclamation. The board now comprises: K. Burns, president; F. W. Allington, vice-president; G. S. Tighe, secretary-treasurer. Directors are: Loyal Snyder, O. H. Ausenius, I. E. Balderson and Walter Fulkert. It was reported at the meeting that an additional 16 members have signed contracts for power in the Association and are awaiting connection by power company employees.

Crow and Magpie Campaign Extended

The crow and magpie campaign being conducted throughout the Province by the Alberta Fish and Game Association and the Provincial Government, has been extended until July 31st, according to word received last Thursday from the provincial secretary, George Spargo.

This extension of time will give the boys and girls of the Didsbury area more time to boost the campaign in the local campaign, and to earn a little spending money besides.

The Didsbury campaign, under the capable management of Mr. E. B. Grange, has been very successful so far this year despite the backward season, and with holiday time in the local campaign, boys and girls will have more time to devote to the extermination of crows and magpies.

While there has been no change in the standing of the contestants in the local campaign, Mr. Grange reported Monday that to date 1,587 pairs of crows and magpies have been turned in to the Didsbury Association.

GRAIN DELIVERIES AND INCOME TAX

The federal income tax revision has something to do with the recent heavier wheat deliveries in the prairie provinces. Beginning July 1, the increased deductions from salaries and wages will be 20 per cent. Some farmers think that all wheat deliveries prior to July 1st will come under the old taxation rate. Actually the general levy will be 10 per cent above last year, so that there is no particular advantage in delivering wheat before July 1st insofar as income tax is concerned.

WATER FOR IRRIGATION

There is only sufficient water available in our rivers to irrigate about 2½ million acres out of a total of 60 million acres in the semi-arid region of Western Canada. This statement was made by an official of the Prairie Farm Rehabilitation Administration. Most of this water originates on the east slope of the Rocky Mountains.

Annual Camp Meeting Of U.M.C. Starts July 5

The annual camp meeting of the United Missionary Church will be held at the U.M.C. Tabernacle in Didsbury from July 5 to 15, and this year Rev. J.G. Brindale, prominent Methodist preacher, will be guest speaker each day.

On Sunday, July 8, and Monday, July 9, at 2 p.m., Rev. D. O. Taylor, a converted native African, will speak to the gathering. A feature of the musical program will be the song evangelists, Mr. and Mrs. Arnold Sherrick, former well-known residents of Didsbury. On July 11 and on July 13 the Missionary Convention will be held.

Rev. E. G. Archer of Didsbury is looking after arrangements for the meetings, and Rev. A. Frey is in charge of the camp.

BANCROFT BUTTERCUPS

The June meeting of the Bancroft Buttercups was held at the home of the Neumiller girls and opened by singing "Smile Awhile" and repeating the creed. Roll call was answered with an idea for the next program book, and the objective was handicraft articles for Olds.

Four girls will be sent to Didsbury to serve tea for the W.I. Conference.

Ellen Neumiller won the senior prize for having the highest marks of the year, and Patricia Hoskins won the junior prize. Mrs. Marsh won the raffle.

W.M.S. Hold Annual Joint Meeting June 26

W.M.S. members of the three locals in Didsbury and Davenport United Missionary Church met in the dining room of the Bible College Thursday evening, June 26th, for the annual joint meeting. Sewing for the College and bangle making for medical missions was accomplished. The highlight of the evening was the report given by Mrs. Suder, Conference Director, who recently attended the Women's Inter-Conference Convention at South Bend, Indiana. This report was inspiring and encouraging to all.

During the past year the three local Societies had a membership of 77 and held 39 meetings. Financial reports showed total receipts of \$622.32 of which \$28.00 went for direct support of missionaries in foreign fields. Other fields of service were sewing for the local hospital, Red Cross, local needs, overseas relief, Christmas bundles, Home Missions, Korean relief, etc.

The meetings also include a devotional period during which books on foreign missions are studied. The year's work has been enjoyed and members feel encouraged to press on to greater things in the Master's service.

DIDSBURY HOSPITAL BIRTHS

Born at the Didsbury hospital to Mr. and Mrs. Mike Hickey of Cremona on Saturday, June 30, a girl.

To Mr. and Mrs. John Reese on Tuesday, July 3, a boy.

WEST NOTES

Mr. and Mrs. P. Luft and family left Saturday for a trip to the west coast.

Mr. and Mrs. C. Byrt and family attended the Stampede at Olds on Monday.

Mr. and Mrs. A. L. Hogg and Mr. and Mrs. N.G. Hogg were supper guests with Mrs. O. Krebs on Wednesday last week.

Mr. and Mrs. P. Byrt have their daughter and husband from B. C. visiting with them.

Mr. and Mrs. O. Thompson and Mrs. O. Krebs were banquet visitors on Sunday.

Mr. and Mrs. E. Wasnes of Calgary spent the weekend with Mr. and Mrs. Gordon Befus.

Mr. and Mrs. R. Cole and Happy arrived Sunday from Burnaby, B.C., to visit with Mr. and Mrs. A.L. Hogg for the next two weeks.

Mrs. O. Krebs, Mr. and Mrs. L. Krebs, Mr. and Mrs. A. L. Hogg and Mr. and Mrs. N. Hogg spent Friday evening with Mr. and Mrs. O. Thompson.

Miss Marion Bagshaw of Aldridge was home over the weekend.

WHO Teams of Experts Cover the Globe in War on Disease

The World Health Organization's fight against disease is being carried out on every continent of the world, wherever its services are needed. Above right, a British member of a WHO team in India instructs a nurse on chest x-ray technique. At left, is shown a child in Mahad, India, with pronounced oedema due probably to dysentery, according to WHO specialists. WHO is one of the Specialized Agencies of the United Nations.

PUREBRED KENTUCKY HORSES TO BE SOLD BY AUCTION

Fifty-four head of American bred saddle horses will be sold by public auction on Saturday, August 11, starting at 2:00 p.m. The Kentucky horses are owned by W. J. Fulkert of Didsbury and represent years of breeding this high class stock.

Among the American bred saddle horses being offered for sale are eight stallions, brood mares with colts at foot and retired yearlings, two year olds, three year olds and over.

It is expected that buyers from all parts of Canada and the States will attend the sale, one of the largest offerings of purebred horses to be made in Canada in recent years.

Purebred Stock Sold And Bought, Lacombe

In the June stock show and sale held at Lacombe N.S. Charleston sold Miss G. Domino 3rd to Joseph Fris-ton of St. Walburg, Sask. for \$310. Miss G. Domino to H. VanManen of Delburne for \$525. and Miss C. Domino 5th to Harry Anderson Brooks for \$500. These were Hereford females.

In the Hereford bull class Hughes Bros. sold Donna Lamplighter 3rd to Joseph Fris-ton for \$500. Donna Lamplighter 4th to the same buyer for \$500, and Donna Lamplighter 6th to Sam Zimmerman of Brightview for \$520.

W. H. Rieder bought Wintapi Royal 5D from Reuben Blume of Castor for \$775.

In the Aberdeen Angus female class Gordon McNaughton bought Lass of Valleymere 3rd from John Spady of Alliance for \$430.

McNaughton sold Greenpark Grenadier 2nd to H. R. Moore of Hartman for \$775; Greenpark Grenadier 3th to Gordon Larsen of Vermilion for \$850; Greenpark Grenadier 4th to G. Demers of Huxley for \$750; Greenpark Grenadier 5th to J. E. Neil and Son of Chauvin for \$750.

Chas. Kohut of Didsbury bought Ben Henry of Salfordwood from J. Robinson and Son for \$1150, and E. Jackson bought Paddy of M 3rd from W. L. Winthrop of Midnapore for \$450.

Demonstrate Canning At Zella W.I. Meeting

With 100% attendance for the third time, the Zella W.I. met at the home of Mrs. E. Lowrie on Thursday afternoon, June 28. Six members of the Rugby W.I. were guests for the afternoon, and roll call was a house-hold hint, followed by the minutes and business.

Mrs. Butler was welcomed as a new member, with Zella membership now standing at 15.

Mrs. V. Scandimiller introduced the guest speakers, Mr. and Mrs. Alex Hogg, who gave a demonstration on canning strawberries with tin cans. Mrs. Lowrie then donated two cans to be raffied, and Mrs. Joe White and Mrs. A. Hogg were the winners.

The bit of fun was conducted by Mrs. E. Walcott and each lady in turn gave one of her most embarrassing moments. All seemed to have had an embarrassing moment at one time or another.

Joe E. Hansen won the door prize by drawing the lucky number.

It was decided that a carload of members should attend the Farm Women's Week for a day rather than send a single delegate.

The next meeting will be at the home of Mrs. Jim Johnston with Mrs. Joe White as the hostess, on July 19.

The pleasant afternoon concluded with the singing of God Save the King and the serving of a dainty lunch.

Serious Tie-Up Again In Grain Movement

Once more there is a serious tie-up in the movement of grain from the prairie provinces, this time due to the lack of shipping facilities on the Great Lakes. Terminal elevators in the lakehead are pretty well plugged as a result of lake boats being diverted from grain shipping to the more profitable movement of oil.

Recently some 5,000 cars of grain were sitting on the tracks there waiting to be unloaded.

The Saskatchewan Wheat Pool estimates that it will be necessary to move from the lakehead an average of 2 million bushels daily between June 1st and July 31st if the Canadian Wheat Board is to meet its commitments and if the 1950 crop is to be marketed successfully.

As farmers are increasing their deliveries following completion of seeding and as the remainder of the 1950 crop is harvested, grain is again piling up in country elevators and a number are becoming plugged.

The local elevators still report a shortage of cars to move the grain and with prospects of a big crop in this district the outlook for grain delivery this fall is not bright at the present time.

Geo. McDonald Makes Perfect Trap Score

George McDonald completed the dream of his career on Friday night when he broke 25 straight at the regular shoot of the Didsbury gun club. This is the first time in the history of the local club that a perfect score has been registered and he is to be congratulated on his achievement.

While McDonald broke 25 straight other members of the club showed improvement with Dave Rouleau getting 20, Bill Banton 20, Ed Lou-lou 21, A. Studer 19, and S. Thompson 17.

The next regular gun club shoot will be held Friday, July 13.

Pinned Beneath Tractor Two Hours

George Eitzen, 58, farmer of the Didsbury district, is in serious condition in the Didsbury hospital after being pinned for almost two hours underneath a tractor on the side of the highway near Didsbury.

He is known to have a broken right leg, between the knee and the hip and is believed to have a fracture of the left leg. Hospital authorities said his condition was too serious to allow further check of his injuries.

He was pinned beneath the tractor one hour before his calls for help were heard by a passing trucker. Gus McElin, Eitzen's friend for aid and it was another three-quarters of an hour before the tractor could be raised sufficiently to free him.

He was taken to hospital by the Orme Ambulance of Olds. Investigators were at a loss to know how the mishap occurred. Eitzen's tractor was found pointed in the opposite direction from which he was supposed to have been travelling and on the wrong shoulder of the road.

Red Cross officials in Calgary rushed a quantity of blood to Didsbury Friday afternoon. The accident occurred at 9:30 a.m. Friday.

—Calgary Albertan

Mr. and Mrs. James Whitlow Have Silver Wedding Anniversary

Mr. and Mrs. James Whitlow celebrated their silver wedding anniversary at their home east of Cremona on Friday, July 1, with "open house" to their many relatives and friends.

Mrs. B. Hennrich of Carstairs and Mrs. Wm. Tiptoe of Cremona, daughters of Mr. and Mrs. Whitlow, poured tea during the afternoon and evening.

During the afternoon Mr. Cowie Sr. of Calgary gave a speech to which both Mr. and Mrs. Whitlow responded. The honoured guests received many silver gifts during the afternoon and evening.

Mr. and Mrs. Whitlow were married at Westerdale and have two daughters, Mrs. B. Hennrich of Carstairs and Mrs. Wm. Tiptoe of Cremona; one son, Robert, and two grandchildren.

Besides relatives from the Cremona district out of town relatives and friends were Mr. and A. Cowie, Mr. and Mrs. John Cowie, Mr. and Mrs. Jim Cowie, Mr. and Mrs. John Cowie Sr., Mr. and Mrs. V. Larson and Mr. and Mrs. B. Neish, all of Calgary, Mr. and Mrs. J. Cowie of Olds, Mr. and Mrs. Geo. Hennrich and family of Carstairs and Mr. and Mrs. E. Sauder of Crossfield.

Old friends from the Cremona district were Mr. and Mrs. C. McElin, Mr. and Mrs. van Haften, Mr. and Mrs. E. Reid, Mr. and Mrs. B. Reid, Mr. and Mrs. L. Bird and Mr. and Mrs. M. Hewitt.

Fourth Snow Fall At Bergen During June

We didn't think it could happen again, but snow fell for the fourth time in the month of June. Frost damaged potatoes and beans in most of the local gardens.

Mrs. L. Connors was hostess to the Bergen Ladies' Aid for the June meeting, July 11 was set for cemetery day, and a quilting will be held at the home of Mrs. Ross Ellis on July 19. Mrs. Hilda Mjolsness, Mrs. Howard Mjolsness of Edmon-ton and Mrs. Walter Nicol of Sundre were welcome visitors. The July meeting will be at the home of Mrs. E. Baughman at Zella if transportation can be arranged.

Mrs. Connors' mother visited with her for a few days, returning to Calgary on Thursday.

The weather gave the children a break on June 29th and an enjoyable picnic was held at the school. Following a bounteous lunch and all the ice cream everyone could eat, a program of sports, arranged by the teacher, Mrs. R. Mjolsness, was enjoyed by all.

The Red Deer Valley picnic was postponed due to the teacher, Mr. Kenneth Worthington, being ill with the mumps. Mrs. Trygve Halvorsen substituted for the last week of school.

We are sorry to hear that Robert McQue is a patient in the Olds hospital, being treated for infection in his foot, which he accidentally cut with an axe during logging operations.

Mr. and Mrs. Herb Knapp visited in the district recently.

Didsbury, Alberta. 26-3p**LARGE ATTENDANCE AT
F.U.A. CONVENTION**

The third annual convention of the F.U.A. District No. 10 was held June 29th with 75 delegates registered and about twice as many farmer visitors.

Most of the morning was taken up with interesting reports from directors of district No. 10 F.U.A. also F.W.U.A. Also with reports from directors of the sub-districts.

The afternoon session was addressed by Mr. Henry Young, president of the F.U.A. Mr. Young stressed the point of increased membership and mentioned that when representations are made to the government the cause has more bearing if the organization has a large membership.

Farmers are urged to join the Rugby local of the F.U.A. and lend their support to the organization. The next meeting will be held at the Leslie Evans home on July 18, and it is hoped there will be a large attendance of both old and new members.

CREMONA NEWS

Congratulations to Mr. and Mrs. James Thompson who are the proud parents of a daughter, and also to Mr. and Mrs. Boyd May who are the proud parents of a daughter.

STEPS IN CALIBRATING
SPRAYERS

1. Check forward speed of the tractor. To do this, measure a 200 foot course and time in seconds the time it takes to travel over this course. If the distance is 200 feet and time is: Miles per hr.

| | |
|------------|-------|
| 39 seconds | 3 1/2 |
| 34 seconds | 4 |
| 32 seconds | 4 1/4 |
| 30 seconds | 4 1/2 |
| 27 seconds | 5 |
| 25 seconds | 5 1/2 |
| 23 seconds | 6 |

By trial and error find the gear, and notch on the throttle which gives the desired speed.

2. The gallons of solution per acre can be calibrated as follows:
(a) Find time in seconds for outfit to travel 200 feet (see above).
(b) Find time in seconds to catch 1 pint from 1 nozzle when sprayer is operating at proper pressure.
(c) Measure boom in feet.
(d) Count number of nozzles on the boom. Substitute the figures obtained above for a, b, c and d in the following formula to find the gallons per acre:

(a) 54.45 (seconds to travel 200 ft) X (number of nozzles on boom)
(seconds to catch 1 pt. from 1 nozzle X boom width in ft) X 2
(b) (c)

Adjust pressure and speed until desired gallonage per acre is obtained. I have used this formula many times on sprayers where the output was not known, and find it very accurate. It would be a good thing to cut this out of the paper and keep for future reference.
Output of the sprayer per acre must be known before we can tell how much chemical to add to the tank to arrive at the correct application rate per acre in ounces of acid.

OUR TOURIST ATTRACTION

What attracts the U.S. tourist to Canada? The Canadian Travel Bureau engineered a tourist marketing survey in the United States, employing U.S. firms, to find out. The one theory that they came for fishing and scenery is upset by these findings:

The chief factor influencing the tourists to Canada from the U.S. was "curiosity." Next factor: visiting relatives and friends, the latter named by about one out of four. Other attractions: scenery, friendliness of Canadians, "quaintness" or different atmosphere. There was agreement that food and clothing was priced lower here than in the U.S.

WORLD LAND USE

There are about three billion acres of arable land in the world today, according to information given by the Food and Agriculture Organization. Another 5.4 billion acres are in meadows and permanent pasture and over 900 million acres are at present unused but are considered potentially productive.

Asia has by far the largest area of arable land with 855 million acres. Africa has 1.4 billion acres of pasture land and leads in this regard. North America has the largest amount of unused but potentially productive land with 264 million acres.

LITTLE ITEMS OF LOCAL INTEREST

Shovely weather has again prevailed during the past week with more than two inches of moisture being reported in places.

Mr. and Mrs. George Thring left Sunday for Coronation where they will spend part of their holidays.

Mr. and Mrs. J. Boles of Saskatchewan are visiting with Mr. and Mrs. Les LeGrand.

Gordon Gibson left Monday to attend summer school at Edmonton.

Mr. and Mrs. H. S. Beveridge, Diana and Stephen, of Holden were weekend visitors with the latter's father, A. G. Studer.

Mr. and Mrs. Bill Weidner and family visited at Ods on Sunday with Mr. and Mrs. E. K. Powell.

—Dr. R. E. McKenzie will be away on holiday from June 30 to July 22 and during his absence Dr. Burgess will attend patients.

Miss Norma Kimmel and Miss Alice Bruce returned last week from a vacation spent at Chilliwack, B.C.

Bill Bennie, who is working north of Edmonton, was home for the weekend.

The Melvin ball team has only lost one game out of the eight played in the Rosebud League. The manager, Albert Krebs, is proud of his team's showing.

Leo Nichols has purchased the John Deere machine agency from Gusie Brothers at Carstairs and will now be the John Deere agent for both Didsbury and Carstairs districts. An announcement to this effect appears in "Nichols' News."

George McDonald accompanied his brother on a fishing trip to McGregor Lake on the holiday weekend and reports pile fishing excellent.

Mr. and Mrs. S. L. Janzen left Sunday on a motor trip to the Pacific coast.

Mr. and Mrs. Orrie Franklin and family, Mr. and Mrs. Les LeGrand, Faye Prevost, Janet Block, Barney Hunsperger, Jack Freeman, Jim Clarke, Ed Irwin, Mr. and Mrs. Art Heinzig, Stan Cole, Mr. and Mrs. O. Thompson were among those seen in Banff over the weekend.

—Ester Weed Spray, 64¢, Special, per gallon \$7.00, at Klein's Sales & Service.

Mrs. F. A. Fletcher received word Thursday that her mother had passed away at Maidenhead, England.

Local girls attending the C.G.I.T. camp at Gull Lake include Bonny Clarke, Lorna Wiggins, Marjorie Neave, Sally Mooney and Randa Peterson.

Mr. and Mrs. Jas. Smith, Lorrain and Roy spent Sunday with Mr. and Mrs. E. J. Rouleau and Winona, leaving Monday for their home at Kelowna, B.C.

Mr. and Mrs. Trev Evans and Mr. and Mrs. Joe Mayerchak spent the week-end holiday at Great Falls, Montana.

Mr. and Mrs. W. A. Austin are vacationing for two weeks at Sylvan Lake.

Mrs. Sidney Fox left last Thursday for Sacramento, Calif., where she will visit with her daughter, Mrs. Don Newton.

Mr. Irwin Klein, Valeda and Bob, Mr. and Mrs. Jack Clarke and Bob Fulton took in the Palomino Show at Nanton on Saturday. Irwin had five palominos entered in the show and won two first prizes, two seconds and two thirds. He also was awarded the trophy for the best two-year-old stallion in the show.

Visitors last week at the home of Mr. and Mrs. Jack Topley were Mr. and Mrs. White of Thornhill, Man., Mr. G. Topley and Mr. D. J. Topley of Calgary.

Miss C. Wilson left Monday for Calgary where she will join her sister on a trip to Sault Ste. Marie, Ontario, for the summer holiday period.

Mr. and Mrs. Art Reiber and family and Mr. C. E. Reiber left Sunday on a motor trip to Penticton, B. C. Clint expects to return this weekend.

Mr. E. T. Wiggins is the delegate for the Canadian Teacher's Federation to the world's conference to be held in Malta, and he left Sunday on the first leg of the journey. Mr. Wiggins expects to be away for six weeks and will visit London, Paris, Rome and other cities before returning in August.

Ed Kercher found a sponge rubber ball in his garden while digging last Friday. There is nothing unusual about finding a child's plaything in the garden, but when a sponge rubber ball has a root of couch grass growing through it, the fact is worthy of note.

WORLD'S COARSE GRAINS CROP

The 1950 world production of barley and oats is estimated at about 126 million short tons, made up of approximately 2,425 million bushels of barley and 4,200 million bushels of oats. Production of these two grains is about six per cent larger than the 1949 harvest and approximate the 1935-39 average.

GRAIN PRODUCTION

Alberta produced 250,183,000 bushels of grain in 1950, compared with 188,475,000 bushels in 1949. The total value of the 1950 grain crop was \$250,356,000 compared with \$230,019,000 in 1949.

Fodder crops totalled 2,286,000

tons valued at \$32,208,000, as compared with 1,824,000 tons valued at \$26,745,000 in 1949. Sugar beet and potato crops amount to 972,350 tons valued at \$8,780,000, an increase of \$124,000 over the value of these products in 1949.

ONE TO MANY

Young Alice was watching a house painter at work. Presently he asked: "How many coats of paint do you give a door?"

"Two, my boy," was the reply. "Then if you give it three coats," said the lad brightly, "it would be an overcoat!"

"No, my lad," replied the painter grimly, "it would be a waste coat."

DISTINGUISHED FLYING CROSS

For "an act or acts of valour, courage, or devotion to duty performed whilst flying in active operations against the enemy"...

During the Second World War, the Distinguished Flying Cross was awarded to 4,028 members of the Royal Canadian Air Force.

"... exceptional fearlessness in the face of the enemy" ... "outstanding courage and determination" ...

4,028 citations—each one a tribute to service in the defence of freedom, by men of the R.C.A.F.

Today, in Canada's rapidly expanding Air Force, more young men are needed to train as Air Crew Officers—Navigation Officers, Radio Officers and Pilots.

To be eligible, you must be between 18 and 24—be a Canadian citizen or other British subject—be physically fit—and have Junior Matriculation or better.
